Memorandum

Date: October 6, 2015

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: Ordinance Relating To Vacant Structures

The proposed ordinance amends Section 17A-9 of the Code relating to vacant structures, requiring the posting of notices on vacant structures and premises requiring that certain information be included on the notices. Specifically, it mandates that the name and contact information of the property owner be included in notices that are issued by Enforcement Officers on confirmed violations of the provision of Chapter 17A. This ordinance would also require that a copy of the notice always be posted at the site, placed at a height of six feet on a sign that measures 2'x3'.

Currently, as a matter of standard procedure, the department of Regulatory and Economic Resources (RER) includes on all 'Notices of Violation' issued the name and contact information of the property owner, as documented on the Miami-Dade Property Appraiser's records. In addition, as a matter of standard procedure, RER currently posts a 10"x12" placard in a conspicuous area of the property that is in violation of the provisions of Chapter 17A. In the last year (July 2014 – July 2015), the department opened 604 open, vacant, and abandoned cases and 74 cases for unsecured pools.

The adoption of this ordinance would affect RER's current enforcement practices only to the extent that the size of the placard would be required to be larger in size and placed at a height of six feet. The additional costs of a larger placard will not be absorbed by the department since hard costs are passed along to violators. Therefore, it is anticipated that the implementation of this ordinance would have no additional fiscal impact.

Such notice shall be served upon the owner and any operators.
